2 Years Course

Our primary goal at online business school is to provide our students with a course that they can be comfortable with. We know that different people learn in different ways, so we've facilitated that as best as possible by providing you with everything you'll need to succeed right from the outset.

ATHE Recognition

Awards for Training and Higher Education provides centres with a wide variety of qualifications including, but not limited to; administration management, business, tourism, law, computing, health and social care. ATHE have made a name for themselves with exceptional customer services, excellent quality standards and rewarding qualifications with progression route to university degrees.

OFQUAL Recognition

All learning materials are designed and written by professional academic authors so that each interactive module is aligned against specific learning criteria specified by OFQUAL, the defining UK Government body for Academic Standards in UK Higher Education. These standards ensure those that learn with us receive a high quality education along with certification that is recognised universally by universities and employers.

Partner University Qualifications

On completion of the final assignments, students are awarded a recognised Diploma qualification. This Diploma can be used to top up to a full undergraduate degree or MBA at a variety of universities, either on campus or by distance learning.

ASSESSMENT

100% assignment or coursework without examination.
